

## Papers

1. Hormonal control of blood sugar level.  
Ahmad R.  
Physiological Society, Liaquat Medical College, Hyderabad.  
Annual Magazine. 1962; 25.
2. Pathogenesis of Atherosclerosis.  
Ahmad R.  
Liaquat Medical College, Hyderabad.  
Annual Magazine. 1965.
3. Beeinflussung der hämopoese der ratte durch Cytosin-arabinosid.  
Gerhartz H and Ahmad R.  
Arzneimittel Forschung. 1968; 18:52-54
4. The use of AV fistula in overnight home haemodialysis in children.  
Shaldon S., Ahmad R., Oag D., Crockett R, Oppermann F. and Koch  
K.M.  
Proc.of theEuropean Dialysis & Transplant Association. 1971; IX:65-72
5. Prescribing aids for Gentamicin.  
Mawer G.E., Ahmad R., Tooth J.A. and Lucas S.B.  
British Journal of Clinical Pharmacology. 1974; 1:45-50
6. Experience with Gentamicin Nomogram.  
Mawer G.E., Ahmad R., Tooth J.A. and Lucas S.B.  
Postgraduate Medical Journal. 1974; 50: (Suppl 7).31-32
7. Automated Dialyser Rinsing Machine.  
Ahmad R. and Goldsmith H.J.  
Dialysis and Transplantation. 1975; 4:29-75
8. Response of Pericardial Effusion to Ultrafiltration and Intensified  
Haemodialysis.  
Ahmad R. and Goldsmith H.J.  
Dialysis and Transplantation. 1977; 6:12
9. A simplified method of Single Needle Dialysis.  
Ahmad R., Large B. and Redman D.  
Dialysis and Transplantation. 1979; 8:260-263
10. Methods of Dialyser Re-use in Regular Dialysis Treatment.  
Ahmad R.  
Health Care World Wide. 1979; Issue No.45  
Abbot Laboratories (UK) Ltd.

11. Hydrocarbon exposure and Chronic Glomerulonephritis.  
Finn R., Fennerty A.G. and Ahmad R.  
Clinical Nephrology. 1980; 14:173-175
12. Spontaneous remission of Secondary Hyperparathyroidism in patient receiving regular haemodialysis.  
Ahmad R. and Goldsmith H.J.  
British Medical Journal. 1982; 284:469
13. Association between rising Haemoglobin concentration and Renal Cyst formation in patients on longterm regular dialysis treatment.  
Goldsmith H.J., Ahmad R., Raichura N., Lal S.M. and Glyde O.H.B.  
Proc.European Dialysis and Transplant Association. 1982; 19:313-318
14. Home Dialysis.  
Ahmad R and Goldsmith H.J.  
British Journal of Hospital Medicine. 1983; 29:95-104
15. A simplified method of single needle dialysis - Five years clinical experience.  
Ahmad R., Large B., Redman D., Pickin C. and Goldsmith H.J.  
  
International Society of Artificial Organs - First  
International Symposium on Single Needle Dialysis. 1984; 107-111
16. The effect of Re-use of Cuprophane Dialysers on dialysis induced thrombocytopenia and leucocytopenia.  
Davenport A. and Ahmad R.  
Dialysis and Transplantation. 1988;17: No 3:132-134
17. Aluminium and Iron overload in chronic dialysis.  
Ackrill P., Day J.P. and Ahmad R.  
Kidney International. 1988; 33: Supp 24:163-167
18. Intraperitoneal Insulin: A protocol for Administration during CAPD and Review of Published Protocols.  
Beardsworth S.F., Ahmad R., Terry E. and Karim K.  
Peritoneal Dialysis International. 1988; 8:145-151
19. Grand mal fitting in a patient on regular dialysis treatment and receiving desferrioxamine therapy.  
Davenport A. and Ahmad R.  
Scandinavian Journal of Urology and Nephrology.  
1988; 22:159-160

20. Hyperosmolar Nonketotic Hyperglycaemia Manifested as Ascending Polyneuropathy.  
Davenport A. and Ahmad R.  
Southern Medical Journal. 1990; 83;2;251-253
21. Bovine Genitourinary Tuberculosis Revisited.  
Yakoob M., Goldsmith H.J. and Ahmad R.  
Quarterly Journal of Medicine. 1990; 74; No.273:105-109
22. Prazosin induced priapism in a patient on Continuous Ambulatory Peritoneal Dialysis. .  
Yakoob M., Perrys B. and Ahmad R.  
Peritoneal Dialysis International. 1991; 11;363-364
23. Bronchial Hyper-reactivity in patients undergoing haemodialysis.  
Walshaw S.,Lim R.,Ahmad R.and Hind CRK  
Blood Purification. 1991; 9:70-73
24. Delayed recovery of renal function in patients with acute renal failure due to accelerated hypertension.  
Yakoob M., McClelland P. and Ahmad R.  
Postgrad. Med. J. 1991; 67; 829-832
25. Low dose desferrioxamine test in the diagnosis of aluminium related bone disease in patients on regular dialysis.  
Yakoob M., Ahmad R., Roberts N. and Helliwell T.  
Nephrol. Dial. Transplant.. 1991; 6;484-486
26. Phlebotomy for Erythropoietin associated malignant hypertension.  
Fahal I.H., Yakoob M. and Ahmad R.  
Nephron. 1992; 61;214-216
27. Bladder tumours in paraplegics on renal replacement therapy.  
Yakoob M., McClelland P., Bell G.M., Ahmad R. and Bakran A.  
Lancet. 1991; 338;1554-1555
28. Assaying for auto-antibodies to recombinant human erythropoietin administered to patients with end stage renal disease.  
Hashim I.A., Fahal I.H., Ahmad R. and Roberts N.B.  
Endocrine. 1991; 131:105
29. Management of blind diabetics by continuous ambulatory peritoneal dialysis.  
Yakoob M., McClelland P., Ahmad R. and Terry E.  
Dialysis &Transpl.antation 1992; 21;65-67/108

30. Haemodialysis related porphyria cutanea tarda and treatment by recombinant human Erythropoietin.  
Yakoob M. Smith J., Ahmad R., McClelland P., Fahal P., Shivakumar K.A., Yu R. and Verbov J.  
Nephron. 1992; 60; 428-431
31. Suppression of the renin-angiotensin-aldosterone axis with r-Hu EPO therapy by a negative feedback loop.  
Nephrol.Dial.Transplant. 1992; 7;125-128
32. Resistance to r-Hu EPO due to aluminium overload and its reversal by low dose desferrioxamine.  
Yakoob M., Ahmad R., McClelland P., Shivakumar K.A., Sallomi D.F., Fahal I.H., Roberts N. and Helliwell T.  
Postgrad.Med.J. 1993; 69;124-128
33. Profile of serum silicon in aluminium overload patients on regular dialysis treatment.  
Fahal I.H., Ahmad R., Bell G.M., Birchall J.D. and Roberts N.B.  
J.Analytical Atomic Spectrometry. 1993; 8;911-913
34. Does silicon protect against aluminium toxicity in dialysis patients.  
Fahal I.H., Yakoob M., Williams P.S., Ahmad R., Roberts N.B. and Bell G.M.  
Lancet 1994; 343;122-123
35. Comparison of Bioimpedance and Doppler Ultrasound Cardiac Output in CAPD patients.  
Ng H.W.K., Walley T.J., Tsao Y., Fahal I.H., Ahmad R., Breckenridge A.M.  
Meth..Find. Exp.Clin Pharmacol. 1995; 17 (1): 59-65
36. Renal scintigraphy in the diagnosis of urinary extravasation.  
Al-Janabi M.A., Ahmad R., Kumar K.A.S., Critchley M.  
Brit. J. Radiol. 1995; 68:1251-1253
37. Muscle weakness in patients on continuous ambulatory peritoneal dialysis.  
Fahal I.H., Ahmad R. and Edwards R.H.T.  
Peritoneal Dialysis International. 1996; 16 (Supp) S419-S423
38. Silicon and Aluminium interactions in haemodialysis patients.  
Parry R., Plowman D., Delves T., Roberts N.B., Birchall J.D., Bellia J.P., Davenport A., Ahmad R., Fahal I.H. and Altman P.  
Nephrology Dialysis and Transplantation 1998; 13:1759-1762

39. Rapidly progressive crescentic glomerulonephritis and Legionnaires Disease.  
Pai P., Kumar S., Bell G.M. and Ahmad R.  
Clinical Nephrology. 1996; 45.3. 209-210
40. A successful pregnancy in renal disease.  
Pai P., Ahmad R and Bell G.M.  
Journal of Obstetrics and Gynaecology 1997; 17;3;287-288
41. A case of hepatitis B in a Haemodialysis Unit.  
Journal of Hospital Infection. 1997; 37 (1):65-69
42. Peritoneal Dialysis:New developments and new problems.  
Gradden C.W., Ahmad R., and Bell G.M..  
Diabetic Medicine.2001 18; 1-4.
43. Thirty years of haemodialysis-One Patients Story.  
Gradden C.W., Ahmad R.,  
Dialysis and Transplantation.2001; June: 374-76
44. Effects of Angiotensin-converting enzyme inhibitors on progression to end stage renal failure in Chronic Vascular rejection.  
Rustom R., Paraoan M.T., Sells R.A., Jackson M.J., Hammad A., Bakran A., Brown M., Ahmad R., Williams P.S., Bell G.M., Sharma A and Bone J.M.  
Transplantation Proceedings. 2002; 33, 1175-76.
45. Palliative care involvement in patients stopping haemodialysis.  
Allison R., Ellershaw J., Ahmad R.  
Palliative Medicine. 2001; 15: 513-14.
46. Haemodialysis patients' beliefs about renal failure and its treatment.  
Krespi R., Bone M., Ahmad R., Worthington B., Salmon P.  
Patient Educ Couns. 2004: May :53 (2) : 189-96.
47. Successful Treatment of Encapsulating Peritoneal Sclerosis with Azathioprine and Prednisolone.  
Peritoneal Dialysis International. 2005; 25: 285-287.
48. A simplified method of Single Needle System: Five years Clinical Experience.  
Ahmad R, Large B, Redman D, Pickin C, Goldsmith H J.  
International Society of Artificial and Internal Organs  
First International Symposium on Single Needle Dialysis 1984; 107-111

49. A Report from a Clinical Study of Lundia Dialyzer Alpha 400, A new Gambro Plate Dialyzer developed by Gambro Ltd. (1990)  
Ahmad R., Casey J. Morrison S., Blockbridge S. and Murphy M. J.  
Submitted to Gambro Ltd. (Restricted)

## Letters

1. Re-use of Disposable Dialysers.  
Ahmad R. and Goldsmith H.J.  
Lancet. 1976; i;419
2. One Alphahydroxycholecalciferol in Renal Osteodystrophy.  
Ahmad R. and Large B.  
British Medical Journal. 1977; ii:1027
3. Selection of patients for dialysis and transplantation.  
Ahmad R.  
British Medical Journal. 1978; ii:1786
4. Re-using Dialysers.  
Ahmad R. and Husler J.  
British Medical Journal. 1979; i: 123
5. Sodium in peritoneal dialysis solutions.  
Ahmad R. and De-Souza M.F.  
British Medical Journal. 1979; ii:497
6. Vascular Access in Haemodialysis.  
Ahmad R. and Large B.  
Lancet. 1980; i:1026
7. New system for Single Needle Dialysis.  
Ahmad R., Large B. and Redman D.  
British Medical Journal. 1980; 281:1429
8. Ulnar nerve lesion as a complication of Cimino-Brescia arterio-venous fistula.  
Ahmad R. and Raichura N.  
Lancet. 1980; ii:1381
9. Recurrent abdominal pain in patients on haemodialysis.  
Ahmad R., Large B. and Raichura N.  
British Medical Journal. 1980; ii:1496
10. Fibrinous pericarditis in hepato-renal failure.  
Ahmad R. and Goldsmith H.J.  
Lancet. 1981; i: 275
11. Audit in Renal Failure.  
Ahmad R. and Large B.  
British Medical Journal. 1981; 283:556-557

12. Audit in Renal Failure.  
Goldsmith H.J., Bone J.M., Finn R. and Ahmad R.  
British Medical Journal. 1981; 283; 919
13. Vancomycin: a reappraisal.  
Ahmad R., Raichura N., Kilbane V., and Whitfield E.  
British Medical Journal. 1982; i: 1953-1954
14. Severe hypoglycaemia due to combined use of parenteral nutrition and renal dialysis.  
Ahmad R., Goldsmith H.J.  
British Medical Journal. 1982; ii:512
15. Anaphylactoid reactions due to haemodialysis, haemofiltration or plasma separation.  
Ahmad R.  
British Medical Journal. 1983; i:311
16. Recovery of renal function after prolonged dialysis and renal transplantation.  
Ahmad R.  
British Medical Journal. 1983; ii:106
17. Magnesium induced neuropathy in patients undergoing haemodialysis.  
Ahmad R.  
British Medical Journal. 1984; i:1654
18. Acquisition of renal cysts in patients undergoing peritoneal dialysis.  
Beardsworth S.F., Goldsmith H.J., Ahmad R., and Lamb G.  
Lancet. 1984; ii:1482
19. Death or Dialysis.  
Ahmad R., Bone J.M., Finn R., and Goldsmith H.J.  
British Medical Journal. 1985; i:455-466
20. Treatment with Nifedipine for malignant hypertension inducing reversible renal failure.  
Ahmad R.  
British Medical Journal. 1985; i:1592
21. Serum Aluminium and Phosphate concentration in CAPD.  
Davenport A., and Ahmad R.  
Lancet. 1986; ii:640
22. Continuous Ambulatory Peritoneal Dialysis.  
Beardsworth S.F., and Ahmad R.  
British Medical Journal. 1987; i (294): 55

23. Dialysis Arthropathy-Amyloid or Iron.  
Ahmad R., Beddow F.H., Heliwell T., and Davenport A.  
British Medical Journal. 1987;1:372
24. Recombinant Erythropoietin for Anaemia of Chronic Renal Failure.  
Ahmad R., and Hand M.  
New England Journal of Medicine. 1987; 317:169
25. Hypocalcaemia after parathyroidectomy.  
Yaqoob M., Ahmad R., and Simkin E.  
British Medical Journal. 1988; 296:1198
26. Abdominal pain and disorder of coagulation.  
Yaqoob M., and Ahmad R.  
British Medical Journal. 1988; 297:67
27. Presenting features in Wegener's granulomatosis.  
Yaqoob M., and Ahmad R.  
British Medical Journal. 1988; 297:619
28. Systemic and Disseminated Candidiasis Complicating Renal Failure.  
Yaqoob M., McClelland P., and Ahmad R.  
Nephrol. Dial. Transplant. 1988; 3: No 5:706
29. Baclofen for intractable hiccup.  
Yakoob M., and Ahmad R.  
Lancet. 1989; II:562
30. Mononeuritis multiplex as an unusual complication of Leptospirosis.  
Yaqoob M., Ahmad R.  
The Journal of Infection. 1989; 19;No 2:188
31. Staphylococcal enterotoxins A and C causing toxic shock syndrome.  
Yaqoob M., McClelland P., Murray A.E., Mostafa S.M., and Ahmad R.  
The Journal of Infection. 1990; 20;No 2:176
32. Irreversible ocular toxicity from single challenge dose of Desferrioxamine.  
Yaqoob M., Prabhu P., and Ahmad R.  
Clinical. Nephrology. 1991; 36(3); 155
33. Phebotomy for erythropoietin associated malignant hypertension.  
Fahal I.H., Yakoob M. and Ahmad R.  
Lancet. 1991; 337; 1227

34. Hypothermia  
Kumar K.A.S. and Ahmad R.  
British Medical Journal. 1991; 302: 352
35. Does silicon protect against aluminium toxicity in dialysis patients.  
Fahal I.H., Yakoob M., Williams P.S., Ahmad R., Roberts N. and Bell G.M.  
Lancet. 1994; 343
36. Twenty year follow-up of two patients after successful treatment for uraemic pericardial effusion.  
Pai P. and Ahmad R.  
Dialysis.Transplantation: 1995; 276-329
37. Uncontrolled ultrafiltration on single needle dialysis.  
Ahmad R. and Redman D.  
Nephrol.Dial.Transplant 1994; 9; 3; 334
38. Metastatic complications of bacteraemia.  
Pandya B., Anijeet H. and Ahmad R.  
Clinical Nephrology. 1999; 52: (1) :63-63
39. Is there a rationale for rationing chronic dialysis?  
Ahmad R.  
British Medical Journal.1999; 318: 1619.
40. Postoperative Exit Site Infection and Factors Affecting it.  
Pandya B.K., Marshall L., Ahmad R.  
Peritoneal Dialysis International. 2001; 21: (4): 419.
41. Anaphylactic reaction during Haemodialysis on AN69 membrane in a patient receiving Angitensin II receptor antagonist.  
Nephrol.Dial .Transplant. 2001; 16:1955-56
42. A case of Campylobacter jejuni peritonitis in a patient undergoing peritoneal dialysis.  
Binukrishnan S., Howse M., Neal T., Ahmad R  
J.Med.Microbiol. 2001; 50: 935
43. Trauma-induced bullous pemphigoid around venous access site in a haemodialysis-patient.  
Yesudian P.D., Dobson.C.M., Ahmad R.  
Clin. and Exp. Dermatology. 2002; 27:70-72

44. Kidney transplantation in patients travelling from the UK to India or Pakistan.  
Ahmad R.  
Nephrol. Dial .Transplant. 2003; 18: 2452.
45. Microalbuminuria: a needle in the haystack.  
Ahmad R.  
PMA News 2003 March Issue.
46. FAQ in Nephrology.  
Ahmad R.  
PMA News 2002 April Issue.
47. Keratoconjunctivitis.  
Punekar M., Fenwick S., Ahmad R.  
2003 BMJ 327 1058
48. Shortage of donor kidneys for transplantation.  
Ahmad R.  
Web BMJ <<http://bmj.bmjournals.com/cgi/eletters/328/7433/186-d#55892>>  
(6 April 2004)
49. Thinking the unthinkable: selling kidneys  
Ahmad,R.  
Web BMJ.<<http://bmj.com/cgi/eletters/333/7559/149#138342>>  
(25 July 2006)
50. Payment for Living Organ Donation  
Ahmad R.  
<<http://bmj.bmjournals.com/cgi/eletters/333/7571/746#143832>>  
(11 October 2006)
51. Acute tubointerstitial nephritis induced by Glucosamine  
Ahmad R.  
Nephrol. Dial. Transplant 2007.22. 282

**Presentations at International Conferences**

1	Madrid, SPAIN 1982	EUROPEAN DIALYSIS AND TRANSPLANT ASSOCIATION  Association between haemoglobin concentration and renal cyst formation in patients regular dialysis treatment.(PAPER)
2	London, ENGLAND 1983	EUROPEAN DIALYSIS AND TRANSPLANT ASSOCIATION.  Allopurinol and recurrent renal stone formation. (WORKSHOP)
3	Tampa, Florida, USA 1983	INTERNATIONAL SOCIETY OF ARTIFICIAL ORGANS. SYMPOSIUM ON SINGLE NEEDLE DIALYSIS.  A simplified method of Single Needle Dialysis - Five years clinical experience. (PAPER)
4	Brussels, BELGIUM 1985	EUROPEAN DIALYSIS AND TRANSPLANT ASSOCIATION.  Re-use of dialysers, blood lines and heparin administration sets. (WORKSHOP)
5	Marseille, FRANCE 1986	7 <sup>th</sup> INTERNATIONAL WORKSHOP ON PHOSPHATE AND OTHER MINERALS.  i) Magnesium induced neuropathy in patients on regular dialysis treatment (POSTER)  ii) Reversal of osteomalacia in chronic dialysis patients with heavy iron and aluminium loading (POSTER) Co-author
6	Venice, ITALY 1987	4 <sup>th</sup> INTERNATIONAL CONGRESS ON PERITONEAL DIALYSIS.  Dialysate protein losses – The effect of underlying renal pathology (POSTER). Co-author
7	Kansas City, USA 1988	8TH NATIONAL CONGRESS ON CAPD.  i) 8 years of uninterrupted CAPD treatment using the original PD cannula. (POSTER). Co-author  ii) Intraperitoneal insulin - A protocol for administration during CAPD (POSTER). Co-author

8	Rostock, GERMANY 1988	EUROPEAN SOCIETY OF ARTIFICIAL AND INTERNAL ORGANS.  The effect of re-use of Cuprophane Dialysers on Pulmonary Function.(PAPER). Co-author
9	Tokyo, JAPAN 1990	INTERNATIONAL SOCIETY OF NEPHROLOGY  i) Low dose desferrioxamine test for the diagnosis of Aluminium Bone Disease in patients on regular dialysis treatment. (POSTER) Co-author  ii) Recombinant Human Erythropoietin Therapy in patients with Aluminium related Anaemia and Receiving Regular Dialysis Treatment. (POSTER). Co-author  iii) Recombinant Human Erythropoietin Suppresses Plasma Renin and Aldosterone in Patients on Chronic Dialysis. (POSTER) Co-author
10	Jomtein, THAILAND 1992	SECOND HOSPAL INTERNATIONAL FORUM  Continuous ambulatory peritoneal dialysis in blind diabetics. (POSTER)
11	London, England 1992	THE UK RENAL ASSOCIATION  Is Silicon Protective in Aluminium Overloaded Patients on Regular Haemodialysis Treatment.(POSTER) Co-author
12	Jerusalem, ISRAEL 1993	XII INTERNATIONAL CONGRESS OF NEPHROLOGY  i) A simple approach to the management of CAPD fungal peritonitis.(POSTER). Co-author  ii) Accumulation of 3-carboxy-4- methyl 5-propyl 2-funranpropanoic acid (FPA) in patients on regular dialysis treatment (RDT). (POSTER) Co-author
13	Glasgow, SCOTLAND 1993	THE SCOTTISH RENAL ASSOCIATION  The relationship of serum silicon to aluminium in regular dialysis treatment.(PRESENTATION) co-author
14	Miami, USA 1995	5 <sup>th</sup> CONGRESS OF THE INTERNATIONAL PANCREAS AND ISLET TRANSPLANTATION ASSOCIATION  Selection for low cardio-vascular risk markedly improves patient and graft survival in pancreatico-renal

		transplant recipients. (PRESENTATION). Co-author
15	Newcastle, ENGLAND 1995	THE UK RENAL ASSOCIATION  Skeletal muscle function in uraemia (POSTER) Co-author
16	Newcastle, ENGLAND 1995	THE UK RENAL ASSOCIATION Aetiology of fatigue in dialysis patients.(POSTER) Co-author
17	Athens, GREECE 1995	EUROPEAN DIALYSIS AND TRANSPLANT ASSOCIATION - EUROPEAN RENAL ASSOCIATION. XXXII CONGRESS  Muscle weakness in dialysis patients. (PRESENTATION). Co-author
18	Athens, GREECE 1995	EUROPEAN DIALYSIS AND TRANSPLANT ASSOCIATION - EUROPEAN RENAL ASSOCIATION. XXXII CONGRESS  Fatigue in dialysis patients: Is it central or peripheral. (POSTER). Co-author
19	Stockholm, SWEDEN 1995	THE 7 <sup>th</sup> CONGRESS OF THE INTERNATIONAL SOCIETY OF PERITONEAL DIALYSIS  Muscle weakness in CAPD patients (PRESENTATION). Co-author
20	Madrid, SPAIN 1995	THE XIII INTERNATIONAL CONGRESS OF NEPHROLOGY.  Quadriceps muscle function and electrophysiology in dialysis patients. (POSTER) Co-author
21	Barcelona, SPAIN 1996	INTERNATIONAL CONGRESS OF THE TRANSPLANTATION SOCIETY  i) Thrombocytosis in Pancreatico-Renal Transplant Recipients  Sharma A.K., Sells R.A., Brown M.W., Taylor J.D. and Ahmad R.  ii) Analysis of risk factors in the outcome of renal transplantation in older.  Sharma A.K., Sells R.A., Brown M.W. and Ahmad R.
22	Naples, ITALY 1996	8 <sup>th</sup> INTERNATIONAL CONGRESS ON NUTRITION AND METABOLISM IN RENAL DISEASE  CAPD Malnutrition - Assessment and Mortality

		Shivakumar K.A., Fass G., Gradden C. and Ahmad R. (POSTER)
23	Ghent, BELGIUM 1996	INTRAPERITONEAL AMINO ACIDS IN PATIENTS ON CAPD.  Gradden C., Shivakumar K.A., Livesley P., Marshall L., Ahmad R.
24	London, ENGLAND 1998	THE UK RENAL ASSOCIATION  Is Automated Peritoneal Dialysis a Superior Form of Peritoneal Dialysis  Anijeet H., Rustom R., Livesley P and Ahmad R. (POSTER)
25	Montreal, CANADA 1998	INTERNATIONAL CONGRESS OF TRANSPLANTATION SOCIETY  Audit of 40 patients receiving Pancreatico-Renal Transplants with Cyclosporin Mono Therapy (Intention to Treat)  Sells R. A., Ahmad R., Bakran A., Brown M.W. and Hammad A. (ORAL PRESENTATION)
26	North Carolina, USA 1999	19 <sup>th</sup> ANNUAL CONFERENCE ON PERITONEAL DIALYSIS  CAPD Malnutrition and Amino Acid Dialysate.  Shivakumar K.A., Roberts N.B., Lane C., Bell G. M. and Ahmad R.
27	Tehran, IRAN September 2003	IRANIAN SOCIETY OF NEPHROLOGY Peritoneal Dialysis in Developing Countries Ahmad R.
28	Khartoum, SUDAN February 2006	SUDANI ASSOCIATION OF PHYSICIANS AND THE ROYAL COLLEGE OF PHYSICIANS  Peritoneal Dialysis Treatment in developing countries (lecture)
29	Madani, SUDAN February 2006	MADANI MEDICAL SCHOOL, SUDAN  i) History of Dialysis (lecture) ii) Renal Replacement Therapy (lecture)

## **Books & Dissertations**

### **Books**

1. General Science for High Schools  
Rasheed Ahmad  
Publisher: Railway Book Stall.  
Hyderabad, Sind. Pakistan (1958)
2. Home Haemodialysis Patient Manual  
Goldsmith H.J. and Ahmad R.  
Publisher: Sefton General Hospital.  
Liverpool, Merseyside, England (1974)

### **Dissertations**

1. Aids to the Prescribing of Kanamycin and Gentamicin  
in Renal Insufficiency.  
Master of Science in Medicine M.Sc(Med)  
  
Thesis submitted to the Victoria University of Manchester. (1973)
2. The Law relating to Organ Transplantation is not designed to facilitate  
the increased availability of Organs for a Transplant.  
Master of Laws (LL.M)  
  
Thesis submitted to the University of Liverpool (2006)
